 1150+ EV Service
Network

The first thing that comes to our mind when we think about an electric auto is Mahindra TREO. India's No.1 Electric 3-wheeler company Mahindra introduces the all new TREO Plus. It will not only cover more distance on a single charge, but also adds more useful features and the potential to double your earnings.

Technology +

- 10.24 kWh battery that delivers powerful performance
- Takes 3 h 50 min for full charging
- Powered by NEMO Driver App

Range +

- Typical driving range of 150 km* in a single charge
(*ARAI certified range is 167 km
Typical driving range depends on driving conditions.)

Performance +

- 8 kW power and 42 Nm torque gives better pickup
- 55 km/h top speed, which gives faster turnaround
- 12.45° gradeability makes climbing easy

Comfort+

- Best-in-class wheelbase of 2073 mm providing stability and more legroom to the TREO Plus
- Hill Hold Assist makes driving easier on hills

Saving+

- Saving of ₹ 1.2 Lakh** every year in comparison to CNG
- 5 year / 120000 km* Warranty
(*3 year / 80000 km standard and 2 year / 40000 km extended warranty)
(**Calculation based on current fuel cost and driving 175 km per day)

TREO
PLUS

Battery

- 10.24 kWh battery capacity
- Typical driving range of 150 km* on a single charge
(The battery meets safety norms of AIS 156
*ARAI certified range is 167 km, typical driving range depends on driving conditions)

Hardtop

- Treo Plus has OEM supplied hardtop option
